

## **Wishing everyone a joyous Christmas and Happy New Year.**

May your blessings be abundant in 2023.

In March, we took back-to-back Caribbean cruises on the world's biggest cruise ship, Wonder of the Seas. Wow, what a ship! Great cruises and we made some new friends. Meeting new people is always the best.

We attended the wedding of our first grandchild, Emily, to Milo Browder in Macon, GA Labor Day weekend. Beautiful wedding, amazing couple!

January and July took us to Wisconsin for great visits with family and friends. We sure hope Gary and Heather don't get sick of us hanging out at their house, we love spending time with all of them and are grateful for their hospitality. Being able to visit their place on Lake Holcombe is always such a treat. It was wonderful that most of our family joined us there. Fantastic time! Then on to Ohio to spend a week with Wendy's family. Miss them all so much!

End of September we flew to Italy with Barry and Becca. Spent 3 weeks touring most of Italy, Barcelona, Marseille, Kotor, Athens, and the Greek Isles. It was the trip of a lifetime! We saw so many amazing places.

Looking forward to 2023, we will be moving to a new house in a 55+ community in January. It's called The Retreat at Banning Lewis Ranch. The amenities are fantastic! There are so many activities we'll have trouble choosing which ones to participate in. We will definitely join the travel club and play pickleball, among many other things. Oh, and we will have a guest room!!

We have a 2-month trip planned in April/May – two cruises out of Brisbane, AU. First one to the south Pacific islands, and the second one transpacific to Honolulu visiting Tahiti and Moorea on the way. We will hang out in Hawaii for 11 days, and then cruise to Vancouver. Going to be quite a trip.

May will also take us to Ohio to celebrate Andrew's graduation from the University of Cincinnati, and Alex's graduation from Bishop Fenwick High School.
